FRL® is a patented product from Panolam® Surface Systems. The solid construction with fiberglass reinforcement gives FRL® its unique qualities. These include ease of application, job-site workability, long-lasting style and durability year-after-year.

Application: The superior performance of Panolam FRL® is designed to stand up to environments where there's lots of activity. Typical locations for FRL® include hospitals, schools, fast food restaurants, department stores and high-density public areas in airports and mass transit facilities.

FRL offers:

- Class A fire rated for flame spread and smoke development
- Solid construction
- High-impact strength
- Durable, easy-to-clean surface
- Variety of seam treatments available

- Available in over 320 Pionite and Panolam colors and patterns
- Available in 3', 4' and 5' sizes in lengths of 8' and 10'
- 5 sheet minimum per size and color
- Finishes available: Ashwood, Crystal, Line Z, Linen, Soft Leather, Sueded and Wood Essence
